Welcome to the 2019/2020 Little Athletics season

W e are one of the smaller Centres on the Sunshine Coast, and that means that we have time to coach and help our kids improve, rather than just having competition every Saturday. Little A's is all about improving your own performance and not "winning". We emphasise personal bests (PB's) and not just who wins.

We also have a very friendly and collaborative relationship with Bli Bli and Maroochy Little A's Centres. The three small centres get together for regular Tri-Centre Carnivals during the season which are a great opportunity for the kids to make new friends and also obviously to get used to competing against other teams. We will also be working together to hold coaching clinics, official's accreditation sessions, training, and introduction to coaching courses. The cooperation between the three Centres is a major bonus to members of Nambour Little A's and is not something that other Centres on the Coast provide.

There are a few carnivals during the season that we encourage athletes to attend. There are local Carnivals we recommend and try to get as many kids to go to as possible, including the Caloundra Open Day. And then the two big LAQ carnivals are the Regional Relays in November and the Regional Championships in February. Athletes who place 1st, 2nd, 3rd or 4th in the Regional Championships and 1st, 2nd or 3rd at Regional Relays carnivals are then eligible to compete at State Relays or State Championships. Please see a friendly committee member for all the info on these carnivals.

Nambour is rostered to host the Suncoast Regional Relay Carnival in November this year. Your committee has been working hard over the off season to host this event, with improvements to the oval being made including the addition of our brand new synthetic long jump run up and landing pits on the main oval. The brand new long jump pits have been made possible with a grant from the State Government's Gambling Benefit Fund and the hard work of our committee members. Special thank you to Rob Angus for his tireless efforts in applying for this grant and managing the construction to be complete in time for us to host the Suncoast Regional Relays at our home ground in November.

We cannot operate each Saturday morning without lots of parent and carer involvement. It is not difficult to help out – rake the long jump pit, hold a tape measure, spike the throws distances, help with the place judging. Ideally we would have two or three adults with each age group (especially the younger groups) to keep our Saturday mornings rolling smoothly.

Age Marshalls are needed for each age group every week. The Age Marshall leads the group to each event on the week's program and records each athlete's results. It can seem daunting, but it's not. Just ask one of the committee for help and you will be an expert in no time.

And look out for the Parent Info Workshop early in the season where you will learn the basics for each event. We will be providing entertainment for the kids while the Parents learn!

There are also opportunities for parents and carers to become qualified officials. Please check with our official's officer who will let you know what is involved. There are a couple of Official Workshops being held on the Sunshine Coast this season where the practical aspects of officiating will covered. Once qualified you can take part as an official at LAQ carnivals.

I hope you enjoy the 2019/2020 season at Nambour Little A's.

Your Centre

YOUR CENTRE HISTORY

Your Centre commenced in December 1983 at the Nambour State Primary School grounds and as numbers grew moved to the present PCYC (Police Citizens Youth Club) grounds in 1986. This move and the magnificent efforts of the Centre's parents has seen the venue develop into one of the finest Little Athletics grounds in Country Queensland, good enough, in fact, for the Queensland Senior Association to hold its country championships here in April 1993. In Feb 2014 we hosted the Suncoast Regional Championships at USC and it was one of the most successful Regionals ever!

WHAT LITTLE ATHLETICS IS ALL ABOUT

The concept of Little Athletics was the brainchild of Trevor Billingham and the first competition started in the 1960's in Victoria. The activity has spread throughout Australia commencing in Queensland in 1975. Competing athletes in the first year totalled 1,500 and this number has spiralled to over 70,000 in recent years. The movement has developed philosophies in tune with needs of those members.

LITTLE ATHLETICS QUEENSLAND MISSION STATEMENT

"Little Athletics aims to develop children of all abilities by promoting positive attitudes and a healthy lifestyle through family and community involvement in Athletic activities."

WHAT IS THE OBJECTIVE?

Little Athletics is a FAMILY activity in which children from the ages of four to seventeen learn basic athletics skills of running, jumping and throwing.

Little Athletics is a FUN activity. All children, regardless of ability are encouraged to participate. Each child is encouraged to improve their own personal performance. To do this your Little Athletics Centre provides friendly competitions on Saturday mornings and coaching activities during the week. By joining in these activities and learning HOW to do all these events correctly, your child will have lots of FUN.

Little Athletics is a FITNESS activity. From the simple warm-up exercises which precede each meeting, and each coaching session, to the actual running, jumping and throwing events, all Little Athletics activities are designed to improve your child's FITNESS and well being.

THE AVERAGE LITTLE ATHLETE

Not all competitors can be champions.

This applies in all SPORTS.

Little Athletics was quick to recognise this and accept responsibility to preserve the interest of and rights of ALL members.

There is of course, an obligation to the talented child who may wish to continue in the sport. That obligation is met through coaching facilities and the opportunity to compete in State and National events.

Every effort is made to ensure that this obligation is not met at the expense of The Average Little Athlete. These are, by far, in the majority.

ALL PARTICIPANTS ARE SUBJECT TO THE EMPHASIS THAT THE PHILOSOPHY IS BASED ON THE PREMISE: to IMPROVE rather than win.

PARENT HELP

WHEN YOU REGISTER YOUR ATHLETE YOU AUTOMATICALLY BECOME A VOLUNTEER!

Parent assistance is VITAL to hold a normal program of events.

Most parents receive great joy and pride watching their children trying to better their personal abilities and cope with personalised competition.

As much as the athletes enjoy being watched while they compete, they are even more enthusiastic when their parents are directly involved.

Parents, carers and grandparents can help us in the following ways:

- set-up and pack-up the equipment
- helping in the canteen
- becoming an Age Marshall and recording results and measurements
- place judging in track events
- spiking, retrieving and measuring events such as discus, shot put and javelin
- spiking, measuring and raking the landing pit at the long jump and triple jump events
- helping at high jump.

These may seem frightening jobs at first but we all started this way and more experienced parents are always on hand to help new parents learn the ropes.

WEEKLY SIGN ON

To protect the safety of your child/children the Centre requires that EVERY ATHLETE IS SIGNED IN EACH SATURDAY MORNING. The sign on book is available at the desk each morning. Any child not signed in by their parent is not covered by insurance against any injury.

The Committee of Nambour Little Athletics have a duty of care towards all of our registered athletes. Children cannot compete at Nambour Little Athletics without a parent/guardian in attendance. This is in line with the agreement all parents/carers signed upon registering with the Centre. Athletes will not be allowed to compete if their parents/ guardians are not in attendance.

CANTEEN

The Centre operates a canteen including a sausage sizzle and healthy snack options. Your support of the canteen is appreciated as profits go directly towards improving our facilities, equipment and providing awards for the athletes.

FIRST AID

In the unfortunate event that an injury occurs to one of the children, please take him or her to the Clubhouse where we will render all assistance possible. If the child cannot be moved please notify us immediately. A first aid kit is available at all times and where possible someone trained in the application of first aid will also be available.

CODE OF CONDUCT

Sport has a special place in Australian society. We are proud of our sporting tradition.

Winning, of course, is a vital part of that tradition – but not as important as the spirit of Australian sport. This spirit stems from our commitment to fair play Little Athletics Queensland (LAQ) has published the following code of behaviour which Nambour Little Athletics endorses.

Parents

- Condemn all violent or illegal acts, whether they are by athletes, coaches, officials, parents or spectators.
- Respect the official's decisions. Don't complain or argue about actions or decisions during or after an event.
- Do not engage in unsportsmanlike language, harassment or aggressive behaviour.
- Encourage athletes to play by the rules and to respect opposing athletes and officials.
- Never ridicule or scorn an athlete for making a mistake, respect their efforts.
- Understand that sport is part of a total life experience, and the benefits of involvement go far beyond the final placing of an event.
- Participate in positive cheering that encourages the athletes in the Centre you are supporting. Don't engage in any cheering that taunts or intimidates opponents, their fans or officials.
- Remember that children participate in Little Athletics for their own enjoyment, not yours!
- At all times follow the directions of the Competition Manager and/or other competition day officials.
- Never arrive at a Little Athletics competition under the influence of alcohol or drugs. Never bring alcohol or drugs to a Little Athletics competition or training.

Athletes

 Be a good sport. Respect all good performances whether from your Centre or the opponents and shake hands with and thank the opposing athletes and officials after the event - win, lose or draw.

- Participate for your own enjoyment and benefit.
- Always respect the official's decision.
- Never become involved in acts of foul play.
- Honour both the spirit and intention of the competition rules and live up to the highest ideals of ethics and sportsmanship. Avoid gamesmanship and respect the traditions of the sport.
- Never engage in disrespectful conduct of any sort including profanity, sledging, obscene gestures, offensive remarks, trash-talking, taunting or other actions that are demeaning to other athletes, officials or supporters.
- Care for and respect the facilities and equipment made available to you during training and competition.
- Safeguard your health. Don't use any illegal or unhealthy substances.
- Recognise that officials and coaches are volunteers who give up their time to provide their services. Treat them with the utmost respect.
- Do not bet or otherwise financially speculate, directly or indirectly, on the outcome or any other aspect of a Little Athletics or Athletics event or competition in which you are involved.

Breaching the Code of Conduct

The code of behaviour as set down is to be followed by all athletes. Any breaches of this code will be dealt with in the following manner. In the first instance, the Centre Manager/ Age Marshall will speak with the offending athlete's entire age group. In the second instance, the athlete themselves will be spoken to by the Centre Manager/ Age Marshall and in the third instance, the Centre Manager/ Age Marshall will speak to the athlete along with the athlete's parents and the athlete will be excluded from the event they are currently participating in. Should a further breach occur the athlete will be excluded from the day's competition.

LAQ Competition

Centres registered with Little Athletics Queensland are divided up into geographic Regions for competition purposes. The Nambour Centre is part of the Suncoast Region along with Bli Bli, Caloundra, Maleny, Maroochy, Cooloola Coast, South Burnett, Glasshouse Mountains, Noosa, Gympie, University, Caboolture, Deception Bay, Nanango, and Bribie Island.

The following pages outline just some of the LAQ competitions and carnival opportunities available for our athletes.

COLES SPRING & SUMMER CARNIVALS

The COLES SPRING CARNIVAL (28 Sept) is held each year at the Bundaberg Region Athletics Facility and is open to all U7-U17 LAQ registered athletes as well as non-LAQ registered (age appropriate) athletes, QA registered U18's to Open athletes.

The COLES SUMMER CARNIVAL (3 Nov) aims to give all registered athletes in U7 – U17 age groups the opportunity to take part in a largescale competition, without any of the pressures associated with a Championship.

Eligibility

All LAQ Registered U7 – U17's Athletes and any LAA Registered U13 – U17's Athletes.

Multi-Class Athlete Inclusion

LAQ and QA registered and classified ambulant and wheelchair athletes have the opportunity to nominate in their own events. For more specific information regarding LAQ Multi-Class Athlete participation and rules please visit the LAQ website.

Nomination

U7 – U17's Athletes may nominate for a maximum of five (5) individual events.

REGIONAL RELAYS

9 November, 2019 (Nambour LAC)

This major LAQ event encourages and allows athletes to compete in track and field teams and is by far the most popular of our Association Days both from a competition and spectator basis.

With a home ground advantage this year, we encourage **all our athletes** to nominate in **all** events for their age group. Regionals Relays is a competition open to athletes Under 7 and upward. Under 7 and 8 athletes compete at Regional Relays only. No competition is held at a state level for these age groups.

The Centre will select teams for both track and field events to compete against other Centres from our Region. Teams for track events have 4 members while field teams have 2 members.

8 & 9 February, 2020 (Gympie LAC)

Any athlete can nominate to compete at the regional championships. The Centre will give your child every encouragement to nominate and compete against other children within the Region. Each athlete can compete in up to 5 individual events of his or her choice.

STATE CHAMPIONSHIPS

13-15 March, 2020 (SAF)

The number of combined events per age group is a graduated increase to reduce undue pressure on younger athletes and encourage athlete's development. A strong emphasis is on the participation of children in a wider range of events, rather than the early specialisation in one or two specific events.

Additionally, the State Team Selectors will refer to the U15 Heptathlon results when selecting athletes for the State Team.

The main purpose of the day is for athletes of all abilities to have an enjoyable day's competition and foster new friendships.

Competition Rules contid

SUN SMART

Sun safety is serious. Your Centre requires that hats be worn at all times where possible and that a maximum protection sunscreen be used at all times.

Sunscreen is available at the Clubhouse for use by athletes and parents.

FOOTWEAR

At ALL Centre and LAQ carnivals shoes are compulsory for all events regardless of the track surface.

Spike shoes may NOT be worn by

- athletes in the Under 6,7,8,9 and 10 age groups,
- competitors in any event that has a pack start (except for Under 15+
- competitors in track relays (except for Under 15+.

Spike shoes may be worn by

 athletes in other age groups for the long and triple jumps, high jump, javelin and any individual event run entirely in lanes.

Spike shoes may be worn only IMMEDIATELY PRIOR TO THE EVENT and DURING THE EVENT.

They MUST be removed IMMEDIATELY after the event is finished. It is NOT PERMITTED to wear spike shoes at any other time.

Parents are especially asked to ensure your children are aware of the serious injury that may be caused to other people from the wearing of spiked shoes. Your assistance in preventing such injuries is appreciated.

The maximum spike length permitted is 6mm for synthetic track, 9mm synthetic field and 12mm for any grass event.

TRI CENTRE CARNIVALS

Each season, the 3 centres from the mid Sunshine Coast (Nambour, Maroochy and Bli Bli), come together 3 times for a fun competition.

Each centre takes turn in hosting the other centres at their usual competition time and venue.

It is a great way for our athletes to test themselves against other athletes in their age group. These carnivals are a great way to make new friends and compete with other centres in a fun and supportive environment. It's also a great way to catch up with our relay team mates.

Further competition details are circulated int he weeks leading up to each carnival. As always, competition is subject to weather and track conditions and our families will be notified of any changes to our season calendar via email and our social channels.

MCDONALDIS ACHIEVEMENT AWARDS

To receive a McDonald's Achievement Award (certificate) an athlete must reach the relevant level in all events applicable to their age group in three (3) event groups eg. An Under 12 would be awarded a green certificate if they were to equal or better the green level times in (1) Jumps: Long, Triple and High, (2) Sprints: 100m and 200m and in the (3) Throws: Discus, Javelin and shot Put. Any event group combination can be used to meet the criteria, as long as the levels in three event groups are attained.

Achieving the relevant levels entitles an athlete to an award, which can be redeemed from their local McDonalds store. The maximum number of certificates an athlete can receive each season is three: 1 green, 1 red and 1 blue.

The McDonald's Achievement Levels are calculated from the average of performances of Queensland's Little Athletes over the years.

Levels for each age group and all events are detailed on the card supplied when you register.

1st Level - Green Most Little Athletes should achieve this

2nd Level - Red Achievable by about half of Little Athletes

3rd Level - Blue More difficult achieved by only a few Little Athletes
