

WELCOME

Welcome to all parents, guardians and athletes joining #teamnambour for the first time, as well as returning members and families. It's going to be a great season!

Welcome also to the new 2022/2023 Committee. Thank you for being involved. Nambour Little Athletics is a volunteer run, not for profit association. Your managing committee are all volunteers. At Nambour we are very fortunate to have the support of some long-serving committee members, some of who continue to return long after their own children have graduated Little Athletics. We're so grateful they continue to give their time and support the kids of NLAC.

Season 2021/2022 proved to be our 'back on track' year. We enjoyed an uninterrupted season without covid restrictions and we were fortunate to escape relatively unscathed through the rain event in early 2022. We lost a load of sand from our long jump pit and had to clean up some debris off the track, but if you've been around a few seasons, this is to be expected every now and then! Some of our neighbouring centres were not so lucky and Nambour were pleased to help with a donation to the Caboolture LAC flood appeal. We look forward to seeing our friends back on the track again this season.

2022/2023 promises to be an exciting season offering opportunities to compete at carnivals locally, around our region and further afield. Take a look at our season calendar for dates and locations throughout the year. We will also be holding several coaching clinics for all our age groups. Keep an eye on our weekly newsletter and social channels for all the details.

New relay rules came into effect last season (the first of a 2 year trial period). This year we have some new rules again with revised age groupings for track teams. U9 & U10 athletes will no longer run a 4x200m and instead, teams will compete in the Swedish Relay (100, 200, 300 and 400m leg) format. U11-13 age groups will run a 4xMedley (200, 200, 400 and 800m leg) relay and not the

Swedish as per previous years. U9-10, U11-13 and U14-17 may also form combined aged track teams. We will be looking to put our best teams on the track, and I encourage all our athletes to nominate. Our relay day is (IMHO) the best carnival day of our season.

In previous years, we have enjoyed fun and friendly competitions with our friends at Maroochy, Bli Bli and Maleny Little Athletics centres. This season, Nambour will host the Sunshine Coast Small Centres Pentathlon at our home grounds in January. This is a great opportunity for our athletes to compete against other centres. All ages are welcome and the emphasis is on participation and making new friends.

Your centre is one of the smaller centres on the Sunshine Coast, and this means that we have time to coach and help our kids improve their skills – not just competition every Saturday. All children, regardless of ability are encouraged to participate to improve their own personal performances each time they take the field. It's not about being the best, it's about being the best they can be. We celebrate every 'personal best' (PB) and recognise our PB achievers each week at competition and in our club newsletters. I'm looking forward to celebrating lots of new PBs with our athletes this season.

Nambour Little Athletics is a fun and happy team atmosphere where our families enjoy coming together each week. Our centre is an environment where every child feels valued, and a place where they feel safe – somewhere to come and spend time with their friends and simply have fun!

Thank you for being part of #teamnambour. See you on the track.

LINDSIE EASTMAN Centre Manager

OUR CENTRE

Nambour Little Athletics has a proud history of athletics excellence.

We are a volunteer-based, not-for-profit association established to promote athletics and conduct athletic meetings in the Nambour district.

From very humble beginnings at the Nambour State Primary School, the centre commenced its first season in December 1983 with a handful of athletes.

As member numbers grew, the centre moved to the present PCYC (Police Citizens Youth Club) grounds in 1986. This move and the magnificent efforts of the centre's parents have seen the venue develop into one of the finest Little Athletics grounds in country Queensland.

WHAT IS LITTLE A'S ALL ABOUT?

The concept of Little Athletics was the brainchild of Trevor Billingham and the first competition started in the 1960's in Victoria. The activity has spread throughout Australia commencing in Queensland in 1975. Competing athletes in the first year totalled 1,500 and this number has spiralled to over 70,000 in recent years. The movement has developed philosophies in tune with the needs of those members.

"Little Athletics aims to develop children of all abilities by promoting positive attitudes and a healthy lifestyle through family and community involvement in Athletic activities."

FAMILY. FUN & FITNESS

Little Athletics is a FAMILY activity in which children from the ages of four to seventeen learn the basic athletics skills of running, jumping and throwing.

Little Athletics is a FUN activity. All children, regardless of ability are encouraged to participate. Each child is encouraged to improve

their own personal performance.

To do this your Little Athletics Centre provides friendly competitions on Saturday mornings and coaching activities during the week. By joining in these activities and learning HOW to do all these events correctly, your child will have lots of FUN.

Little Athletics is a FITNESS activity. From the simple warm-up exercises which precede each meeting, and each coaching session, to the actual running, jumping and throwing events, all Little Athletics activities are designed to improve your child's FITNESS and well being.

THE AVERAGE LITTLE ATHLETE

Not all competitors can be champions.

This applies in all SPORTS.

Little Athletics was quick to recognise this and accept responsibility to preserve the interest of and rights of ALL members.

There is of course, an obligation to the talented child who may wish to continue in the sport. That obligation is met through coaching facilities and the opportunity to compete in State and National events.

Every effort is made to ensure that this obligation is not met at the expense of The Average Little Athlete.

These are, by far, in the majority.

ALL PARTICIPANTS ARE SUBJECT TO THE EMPHASIS THAT THE PHILOSOPHY IS BASED ON THE PREMISE:

to IMPROVE rather than win.

WEEKLY CHECK IN

Please sign in every time you attend our grounds.

Please note that any child not signed in by their parent on a competition day or coaching session is not covered by insurance against any injury.

The Committee of Nambour Little Athletics have a duty of care towards all of our registered athletes. Children cannot attend Nambour Little Athletics without a parent/guardian in attendance for the duration of the session.

PARENT HELP

Parent assistance is **VITAL** at our weekly competitions.

On competition days parents can support athletes in a variety of ways with little or no experience. You can learn as you go and it's a lot of fun.

Parents, carers and grandparents can help us in the following ways:

- Set-up and pack-up the equipment
- helping in the canteen
- becoming an Age Marshall and recording results and measurements
- · place judging in track events

- spiking, retrieving and measuring events such as discus, shot put and javelin
- spiking, measuring and raking the landing pit at the long jump and triple jump events
- helping at high jump.

If you have any questions, just ask one of our Committee members (you'll find us in the green shirts).

CANTEEN

The centre operates a canteen on competition mornings. Your support of the canteen is appreciated as profits go directly towards improving our facilities, equipment and providing awards for the athletes.

FIRST AID

In the unfortunate event that an injury occurs to one of the children, please take him or her to the clubhouse where we will render all assistance possible. If the child cannot be moved please notify us immediately. A first aid kit is available at all times and where possible someone trained in the application of first aid will also be available.

SMOKING POLICY

Smoking is not permitted in any competition or spectator area during any Little Athletics Competition – including Centre Level Competitions.

Athletes, Coaches, Officials, and Spectators are reminded that smoking is inappropriate behaviour in a sporting environment and are asked to respect this smoking policy.

CODE OF CONDUCT

CODE OF CONDUCT

Sport has a special place in Australian society. We are proud of our sporting tradition.

Winning, of course, is a vital part of that tradition – but not as important as the spirit of Australian sport. This spirit stems from our commitment to fair play. Little Athletics Queensland (LAQ) has published the following code of conduct which Nambour Little Athletics endorses

PARENTS

- Condemn all violent or illegal acts, whether they are by athletes, coaches, officials, parents or spectators.
- Respect the official's decisions. Don't complain or argue about actions or decisions during or after an event.
- Do not engage in unsportsmanlike language, harassment or aggressive behaviour.
- Encourage athletes to play by the rules and to respect opposing athletes and officials.
- Never ridicule or scorn an athlete for making a mistake, respect their efforts.
- Understand that sport is part of a total life experience, and the benefits of involvement go far beyond the final placing of an event.
- Participate in positive cheering that encourages the athletes in the Centre you are supporting. Don't engage in any cheering that taunts or intimidates opponents, their fans or officials.
- Remember that children participate in Little Athletics for their own enjoyment, not yours!
- At all times follow the directions of the Competition Manager and/or other competition day officials.
- Never arrive at a Little Athletics competition under the influence of alcohol or drugs. Never bring alcohol or drugs to a Little Athletics competition or training.

ATHI FTFS

 Be a good sport. Respect all good performances whether from your Centre or the opponents and shake hands with and thank the opposing athletes and officials after the event – win, lose or draw.

- Participate for your own enjoyment and benefit.
- Always respect the official's decision.
- Never become involved in acts of foul play.
- Honour both the spirit and intention of the competition rules and live up to the highest ideals of ethics and sportsmanship. Avoid gamesmanship and respect the traditions of the sport.
- Never engage in disrespectful conduct of any sort including profanity, sledging, obscene gestures, offensive remarks, trash-talking, taunting or other actions that are demeaning to other athletes, officials or supporters.
- Care for and respect the facilities and equipment made available to you during training and competition.
- Safeguard your health. Don't use any illegal or unhealthy substances.
- Recognise that officials and coaches are volunteers who give up their time to provide their services. Treat them with the utmost respect.
- Do not bet or otherwise financially speculate, directly or indirectly, on the outcome or any other aspect of a Little Athletics or Athletics event or competition in which you are involved.

BREACHING THE CODE OF CONDUCT

The code of behaviour as set down is to be followed by all athletes. Any breaches of this code will be dealt with in the following manner.

In the first instance, the Centre Manager/ Age Marshall will speak with the athlete's entire age group to remind the group of the expected standards of conduct.

If the behaviour is deemed unsafe or causes harm to others or damage to equipment, the Centre Manager/ Age Marshall will speak to the athlete along with the athlete's parents and the athlete may be excluded from the event they are currently participating in.

Should a further breach occur, the athlete will be excluded from the day's competition.

LAQ CARNIVALS & COMPETITION

Centres registered with Little Athletics Queensland are divided into geographic regions for competition purposes. The Nambour Little Athletics Centre is part of the SunCoast Region along with Bli Bli, Bribie, Caboolture, Caloundra, Cooloola Coast, Deception Bay, Glasshouse, Gympie, Maleny, Maroochy, Nanango, Noosa, South Burnett, Wamuran and University.

The following pages outline just some of the LAQ competitions and carnival opportunities available for our athletes. Details of centre carnivals can be found on the LAQ website in the event calendar.

INTER-CENTRE MEETS

Each season, Nambour LAC enjoys friendly competitions with nearby centres such as Bli Bli, Maroochy and Maleny.

We will be hosting the SunCoast Invitational Pentathlon in January. Check our season calendar for dates and details.

COLES SPRING & SUMMER CARNIVALS

The COLES SPRING CARNIVAL (24 September) is held each year at the Bundaberg Region Athletics Facility and is open to all U7-U17 LAQ registered athletes as well as non-LAQ registered (age appropriate) athletes, QA registered U18's to Open athletes.

The COLES SUMMER CARNIVAL (22 October – SAF) aims to give all registered athletes in the U7-U17 age groups the opportunity to take part in a large-scale competition, without any of the pressures associated with a Championship.

REGIONAL RELAYS

12 November, 2022 (USC)

This major LAQ event encourages and allows athletes to compete in track and field teams and is by far the most popular of our Association Days both from a competition and spectator basis.

We encourage all our athletes to nominate in all events available to them. Regional Relays is a competition open to athletes Under 7 and upward. Under 7 and 8 athletes compete at Regional Relays only. No competition is held at a

state level for these age groups.

The centre will select teams for both track and field events to compete against other centres from our region.

Teams for track events have 4 members while field teams have 2 members.

LAQ CARNIVALS & COMPETITION

The composition of Track Relay Teams including the allocation of positions within the team will be determined by the Centre Committee and athletes selected;

- must run in their nominated team
- must run in their allocated position (leg), and
- must run the distance leg of the relay for which they are selected in Medley and Swedish relays.

By submitting your nomination, you agree to the above selection policy.

If you have any questions or are seeking advice as to whether your children should enter, please speak to a member of our committee. They will be pleased to help you understand the significance of putting in your nomination form for these relays.

STATE RELAY CHAMPIONSHIPS

3 December, 2022 (SAF)

The first three placegetters in each event at the Regional Relay Day qualify to compete in the State Relay Championships against centres from all over Queensland. This is one of LAQ's most exciting meetings.

REGIONAL CHAMPIONSHIPS

4 & 5 February, 2023 (USC)

Nominations for this event are open to all athletes in the U7-U17 age groups including MultiClass athletes. Athletes in the U7-U8 age groups do not progress to State Championships but will receive participation medals if competing at this carnival.

This is an individuals championship event and medals are presented to athletes placed 1st, 2nd and 3rd in each event for athletes aged U9-U17.

For full details of event eligibility, qualifying times and distances and events per age group, please refer to the LAQ Competition Handbook on the LAQ website.

STATE CHAMPIONSHIPS

24-26 March, 2023 (Townsville Sports Reserve)

The first four placegetters (U9–U17) in each event at the Regional Championships qualify to compete at the State Championships.

Multiclass athletes have the opportunity of direct nomination provided they have competed at Regional Championships.

COMBINED EVENT CHAMPIONSHIPS

4-5 March, 2023 (SAF)

The Combined Event Championships is oriented as a Championship Event for U9 – U17's and offers participation for U7 – U8's.

The number of combined events per age group is a graduated increase to reduce undue pressure on younger athletes and encourage athlete's development. A strong emphasis is on the participation of children in a wider range of events, rather than the early specialisation in one or two specific events.

Additionally, the State Team Selectors will refer to the U15 Heptathlon results when selecting athletes for the State Team.

Full eligibility and nomination information can be found on the LAQ website.

ATHLETE AWARDS CONT'D

MCDONALD'S ACHIEVEMENT AWARDS

To receive a McDonald's Achievement Award (certificate) an athlete must reach the relevant level in all events applicable to their age group in three (3) event groups eg. An Under 12 would be awarded a green certificate if they were to equal or better the green level times and distances in (1) Jumps: Long, Triple and High, (2) Sprints: 100m and 200m and in the (3) Throws: Discus, Javelin and Shot Put. Any event group combination can be used to meet the criteria, as long as the levels in three event groups are attained.

Achieving the relevant levels entitles an athlete to an award, which can be redeemed from their local McDonald's store. The maximum number of certificates an athlete can receive each season is three:

1 green, 1 red and 1 blue.

The McDonald's Achievement Levels are calculated from the average of performances of Queensland's Little Athletes over the years. Levels for each age group and all events are detailed on the card supplied with your registration pack.

1st Level - Green
Most Little Athletes should achieve this.

2nd Level – Red Achievable by about half of Little Athletes.

3rd Level – Blue
More difficult and achieved by only a few Little Athletes.

GOLD LEVEL

In addition to the standard McDonald's Achievement levels, the Association has also created a Gold level. The Gold level is provided as an optional additional goal. Athletes who achieve a Gold Achievement level are recognised at the Nambour Little Athletics end of season award presentation.

Life Members

Life Membership of the Nambour Little Athletics centre is awarded for outstanding contribution to the centre over a significant period of time.
